Christopher Beran

SUMMARY

Front End Web Developer with 10 years of experience developing websites specializing in front-end coding, usability and problem-solving

WORK EXPERIENCE

03/08—Present **Front-End Web Developer, Awana – Streamwood, IL**

- Collaborate with designers and product owners to code standards-based, responsive web pages using HTML5, CSS3, SASS, jQuery and AngularJS
- Meet with clients in an Agile Scrum atmosphere to establish and ensure completion of web goals while recommending strategies for improved UX and usability
- Major Accomplishment: Code rebrand for entire E-Commerce store with responsive mobile design and current web technologies (<http://store.awana.org>)

09/06—12/07 **Information Technology Intern, Awana – Schaumburg, IL**

- Code and deployed interactive content for the first two installments of an E-Learning solution with limited time and resources
- Develop department request forms with JavaScript validation
- Design and code Yahoo! widgets complete with platform compatibility

ACADEMIC EXPERIENCE

01/06—12/07 **BFA: Web Design and Interactive Media, Illinois Institute of Art Chicago – Chicago, IL**
